Hasn't Been Washed
In Weeks

Pandemic Hazard! Pull Out a White
Tile

You've Never Sanitized
Your Phone...

Pandemic Hazard! Pull Out a White
Tile

Maybe spring break
was a bad idea

Okay, maybe traveling anywhere
wasn't so hot...but you just needed
to get away. I get it. But why
Montana? It has the highest
freaking rate of non-maskers

If only the hot spot you traveled to
wasn't also a hot spot for the
outbreak

You Held a Surprise Birthday Party At Your Grandma's House!

Major Pandemic Hazard! Pull Out 2 White Tiles

And an Orange Tile... Took Grandma Too Long to Blow Out All 90 Candles

You Don't Wash Your Hands After the Credit Card Transaction

Pandemic Hazard! Pull Out a White Tile

Touch your face after grabbing door handles

The only way this would be worse if you were grabbing menus at that seedy dive bar or just straight up eating in the bathroom...why would you even do that?

Pandemic Hazard! Pull Out a White Tile

You Picked Up the Fallen Cookie From the Classroom Floor

Doing that in the first place is already gross... but during a pandemic...

Pandemic Hazard! Pull Out a White Tile
